Would you like to know what animals do at night? This September we are having a guided tour in the evening. We have a lot of monkeys around the Monkey Mountain area. Sometimes they look angry. Sometimes they look friendly. You can see they are communicating with each other with gestures. Every Wednesday and Saturday at 1 p.m. our specialists and zookeepers will tell you about how our monkeys live, what they think and how they communicate. The tour begins at the front of Monkey Mountain. No extra fee required.

Sorry....
